I thank the Lord for allotting me the time—time which is priceless and so very precious.

<sup>1</sup>Ofira (who presently teaches at Gratz College in Melrose Park, Pennsylvania) authored *New Zionism and the Foreign Policy System of Israel* in 1986, under her previous married name Seliktar. I want to clarify that her political and ideological opinions and views do not necessarily agree with mine and the ones in this work.

Philip Moore has done a tremendous work with His study, *The End of History—Messiah Conspiracy*. It is useful for all who love Israel. There is an old Hebrew saying מסתיר טפח, מגלה טפח “by opening one palm, you reveal two more”—every discovery challenges us to a new and more thorough study! One might raise some critical questions, but as a whole the book reveals many hidden treasures of importance to the reader!

Risto Santala, Hebrew Bible Scholar and Author<sup>2</sup>

---

<sup>2</sup> Risto Santala is the author of *The Messiah in the Old Testament, in the Light of Rabbinical Writings, The Messiah in the New Testament and Paul, the Man and the Teacher, in the Light of Jewish Sources*, widely read in Hebrew, French, Spanish, Finnish, German, Hungarian, Estonian, Russian and English. Regarding Santala’s books, a prominent Aramaic scholar, Jacob J. Barclay, has noted: “No such material concerning the identity of our Lord has hitherto been condensed into such a succinct presentation as this” (Back cover *Messiah in the Old Testament*). It has been said that Santala is “stepping into the lion’s den of the Rabbis and into the fiery furnace of the liberal theologians. But he hopes that others will follow him and promote a similar dialogue in the spirit of tolerance and spiritual democracy” (Ibid). And Moore is more than glad to do this. Santala’s books may be obtained through Bible & Gospel Service, Kaivokatu 18100 Heinola, Finland, telephone 011-358-3-714-4215 and Karen Ahvah Meshihit, P.O. Box 10382, Jerusalem, Israel.
